I \_\_\_\_\_ have received a consultation regarding the Sisterlocks™ system of natural hair management and have understood the instructions on the locking process, washing techniques, retightening schedule and daily care.

I agree to pricing as stated in the consultation for the establishment as well as ongoing maintenance.

Pricing Breakdown as follows:

- Consultation - \$35 (if install is booked within 60 days fee will be applied to install)
- Establishment \$800 up to 5 inches, \$35 for each additional inch (i.e. 10inches of natural hair would be \$975) density & heat damaged hair & circumference is also a factor
- First retightening included in starter package (excessive slippage will be charged after 3hrs)
- Retightening maintenance \$150 up to 3 hours...\$175 for mobile up to 4 hours (\$25 hr after flat rate)
- Retightening schedules from 4 to 6 wks....\$150, 6-8 wks.... is \$175, 8-10 wks.... \$200, 10-12 wks....is \$250, past 12 wks requires consultation.

I agree to use Sisterlocks™ products during the formation of my locks under the care of my consultant. I also understand that the Sisterlocks™ shampoo formula is designed to produce the best results, and that using products other than Sisterlocks™ at any time may result in loc slippage, tangled or unlocked hair.

I understand that regular appointments are necessary to maintain my locs, and that if any scheduled appointments are missed, my consultant is not liable for the condition of my locs. I also understand that time is valuable and agree that if I'm more than 15 minutes late for the scheduled appointment...either a late fee will be assessed or the appointment will need to be rescheduled. If your appointment has been confirmed and you still need to cancel a 48 hr notice before your appointment is required or a cancellation fee of \$25 will be assessed for your next appointment.

Finally I understand that if for any reason multiple infractions will result in the dissolution of our agreement and I may be referred out.
